

STPI-Surat building was handed over by state Government to STPI on 14th February 2014 in a function held at Surat and on the same day a MOU was signed between STPI & Department of S&T, Government of Gujarat.

STPI-Surat will broadly provide following services for IT/ITeS industry in the region:-

- Statutory Services.
- Data Communication Services.
- Incubation Services.

Incubation Services

With an objective to promote and motivate entrepreneurs in the field of IT/ITES in South Gujarat region, STPI Surat will be setting up a state-of-the-art Incubation Facility to support Small and Medium scale Enterprises (SMEs). The facility will be equipped with all basic amenities and provide plug and play Incubation Infrastructure to the Start-ups and SMEs. This would not only eliminate the need for capital investments by SMEs in facility creation but also help them in focusing on their operations from day one by offering them the advantage of no gestation period. The facility will have raw & fully furnished and air-conditioned office modules. The start-ups and SME's availing this facility would get the benefits of nominal rentals, ISP Environment, statutory support etc. Ready-to-use incubation space will be available for start up companies, aspiring entrepreneurs, as per their requirements with following features:

Features:

- State-of-the-art infrastructure with Raw & fully furnished incubation space.
- Latest Computer Workstations (Optional)
- Ready-to-use internet bandwidth
- Fully air-conditioned incubation space
- 24 * 7 Power back up
- Prime location with good ambience
- Uninterrupted power supply system
- Standby DG power system

Entrepreneurs and Start-ups, planning to operate and grow in South Gujarat region, may contact the following:
